READ AT CHAMPIONSERIES.COM
HMM... PROBABLY?

CAN YOU TRULY WIN?

EVEN IF YOU CAN'T PROMISE "CERTAIN VICTORY"

YOU DO REALISE YOUR OPPONENT HAS A MAGIC WIELDING ELF, NO?

IT ALL DEPENDS ON THE TRICKS EMBEDDED IN THE GAME

WELL
SO, WHAT TYPE OF TRICKERY WILL THIS BE...?

SERIES RETURNS!!

THE WORLD'S LONG AWAITED

SMH RA'GI'MASHM

A PART

CHESS?

WHERE IS THE TRICKERY IN THIS...?
However, it's a game of chess where the pieces have a will of their own.

That's right, chess.

They are yours to command as you see fit.
SHIRO, WHAT SHOULD WE DO?

SO THAT'S IT...

...IT'LL BE FINE
IN CHESS... I CAN'T LOSE.

THIS'LL BE A PAIN...

CHESS IS... NO DIFFERENT THAN A GAME OF TIC-TAC-TOE...
Together we are the strongest, we are "Blank".

Don't forget, the two of us are one person.

In normal chess, it's obvious that Shiro will win.

However,
According to what she said,

right.

This isn't normal chess.

Until I figure out the trick to this game, make sure you win.

Then, let's being.

The first move is yours.
...This woman

With Shiro for an opponent, that's practically the same as handing her the victory on a silver platter.

Chess is a game where the first move is an extreme advantage...!

This is a blatant provocation...

Or is this all part of her plan?
T-the piece really did move by itself...

G7

Forward
Huh!? Isn't that kind of cheating way too obvious!? Wh-what!? Just! Just now the pawn! It moved forward 3 squares!?

This is completely unjust. It is just plain foul. That's a loss!

"The pieces have a will of their own"? Did I not say...
THE QUALIFICATIONS OF A RULER,

IN OTHER WORDS,

LEADERSHIP.

CHARISMA,

COMMANDING ABILITY,

THE FAITH IN THE ORDERS THEY ARE GIVEN IS

MOVE ACCORDING TO THE "QUALIFICATIONS" OF THE PLAYER...
Isn't it wonderful?

Do you not think that this is a truly fitting game for deciding who is fit to be the ruler?
TO C3

F7

FORWARD

I CAN'T EVER FORGET...

JUST SHUT UP AND WATCH.

THIS IS NO WAY TO WIN A--

THAT PERSON IS SELFISHLY MOVING HER PIECES WHEREVER SHE PLEAS...!!

THIS IS COMPLETELY UNREASONABLE!!
IS INCOMPARABLE TO EVEN GOD HIMSELF...

WHEN IT COMES TO CHESS, SHIRO
This is nothing to be surprised about.

Even against an opponent that completely ignores the rules?

Amazing!

This can't even be called a handicap...

This is like the difference between an expert and an amateur which is like heaven and earth.

Is still capable of overwhelming their opponent with only their king and pawns...!

Even with the ten pebbles of rock, iron, wood, and gold, a short master...

...however!

F2 to Fa
F2 to... F4

Not hear...?

Did it

I knew it...

Why hasn't it moved...?

Then the pieces won't move!!

If you lack the "qualities of a king".

Just about moving the pieces!

The key to winning this chess game isn't

Unless the soldiers have ironclad faith, having them disloyal, you're only inevitable.

Which means,
YOU CAN'T USE SACRIFICIAL PLAYS.

SHIRO'S AGITATION AS THE COMMANDER IS SPREADING TO THE SOLDIERS. THE SITUATION ON THE BATTLEFIELD CAN ONLY WORSEN.

THE MORALE OF THE TROOPS OF PIECES IS CRUMBLING.

IF THIS CONTINUES, THE PIECES WILL STOP FOLLOWING HER ORDERS COMPLETELY.
THE PATH TO WINNING IS DISAPPEARING.
YOU'RE WRONG ABOUT "THREE THINGS"
THE TWO OF US TOGETHER ARE ONE PERSON.

ONE...

THIS ISN'T CHESS.

TWO...

YOU HAVEN'T LOST YET.

AND THREE...

THE TWO OF US TOGETHER ARE ONE PERSON.
"BLANK"

DOESN'T LOSE

REMEMBER?

Yeah

THANKS TO SHIRO, I WAS ABLE TO FIGURE OUT THE TRICK.

PUT DO THEY REALLY THINK THAT AFTER MAKING MY SISTER CRY? THAT THEY'LL GET AWAY WITH JUST A LITTLE BANKRUPTCY??
ATTENTION!!

ALL FORCES,
BY THE POWER VESTED IN ME AS YOUR KING,

ANY WHO FIGHTS BRAVELY IN THIS BATTLE,

SHALL EARN,
THE RIGHT TO BANG THE WOMAN THEY LIKE!!
